# 9th Annual Golf Tournament Highlights

WOW!!! What a day of golf? The temperatures were just right. We had 160 golfers participate and all had a great time. Thanks to our Vendors and Sponsors and golf participants we were able to raise \$45,000 in net proceeds for the Scholarship Fund. The staff volunteers were simply awesome as they ensured the tournament ran smoothly. We are grateful to each community for allowing the staff to volunteer their time. The Tartan Park staff were great hosts and provided superb service for all golfers. Prom Catering did a terrific job with lunch and reception food.
