

SENIOR CARE COMMUNITIES, INC.

14TH ANNUAL GOLF TOURNAMENT

Thursday September 6, 2018
THE WILDS GOLF CLUB

The 14th Annual Senior Care Golf Tournament held at The Wilds Golf club was a huge success with 160 golfers participating on a perfect weather day. 30 Volunteers from all of our communities ensured that all guests were welcome and had a great time. The Early Bird Raffle once again proved to be a big hit as there were a variety of great prizes.

The Wilds' staff provided great food and beverages on the course and in the reception area and dining room and of course ran a terrific golf tournament keeping folks moving and being helpful on the course.

We recognized 20 Scholarship winners from 2017 and their accomplishments and new license designations. A total of \$46,600 was distributed to these winners.

We look forward to another great event in 2019 and celebrating the golf tournaments 15th year.
